

## The Bob Anderson Memorial Student Scholarship Application

To be considered for this scholarship, you must submit this form electronically to Kim Frazier, [kim.frazier@wyo.gov](mailto:kim.frazier@wyo.gov) by **April 7, 2017**

This scholarship is awarded to two students who are studying wildlife forensic science or a related science field. The Scholarship covers the cost of registration, one banquet ticket and \$500 to help with travel and room costs for attending the SWFS meeting. Consideration will be given to past academic performance, the application, essay, and presentation abstract. A Selection Committee will review the application and select the two applications that are most qualified. Chosen applicants are required to give a 10-15 minute presentation on their presentation abstract topic at the Society for Wildlife Forensic Science Meeting.

**The purpose of this application is to acquaint the Selection Committee with the candidate. It should be thoroughly completed. Please remember that this is the minimum you must complete to be considered for the scholarship. Please feel free to attach letters of recommendation or any other documentation that will reflect those qualities being sought by the Selection Committee. Photocopies, etc. are acceptable. Additional sheets may be attached, if needed, in order to fully answer a question.**

To assist the Selection Committee in making their decision, please answer the following questions:

Describe your educational goals:

---

---

---

---

What would you like the board to consider in evaluation of your application and/ or what would you like to tell the board about yourself?

---

---

---

---

---

---

---

---

Please write a short essay (1000 words or less) explaining why you should be chosen for the SWFS Triennial meeting scholarship and how the Society for Wildlife Forensic Science can play a role in the advancement of your education. Submit your essay with this application form.

*Please ensure that you have also registered for the meeting and submitted an abstract for your presentation via the SWFS2017 website.*

**I certify that the information provided above is true and complete.**
