

# SOCIETY FOR WILDLIFE FORENSIC SCIENCE

STUDENT OUTREACH PROGRAM

## Application for Research Need

---

Organization Requesting Research

Street Address

City

State/Territory

Postal Code

Country

Contact Person

E-mail

Phone Number

Fax

Type of Organization

Research Ideas/Needs (If more spaces is needed please email the list)

Do you have access to instrumentation and/or equipment necessary for the research

Yes

No

If yes, what is the instrumentation/equipment:

Do you have the necessary samples

Yes

No

If yes, please elaborate (i.e. what they are, where they are and if the researcher has access)

Does your organization have funding for this research

Yes

No

What level of researcher/student would you like on this project

When would you like the research to begin

Is there a required end date, if so when

Where would you like the research to be conducted

Would anyone at your organization like to supervise or serve on the committee for this research project, if so who is it and in what capacity

Are there any special circumstances required for this research (i.e. special permits, CITES, MOUs, samples storage requirements, non-disclosure agreements)

Please Note: Upon completion of the application email this form to [tasha.bauman@wyo.gov](mailto:tasha.bauman@wyo.gov) and we will place your request in our database and when a match to a student is available we will contact you. If at any point you would like to retract your application please let us know.

Thank you

SWFS Student Outreach Program Coordinator
